Triad Claw – Humanity is Victim of Ancient Satanic Plot

June 15, 2024

(Official portraits all feature triad claw–middle fingers closed– hand sign)

Are all these prominent people spanning five centuries Crypto-Jews?

If true, it casts history in a new light. The Illuminati — FDR, Hitler, Stalin & Churchill—are essentially crypto-Jews. So are Hillary, Obama & Trump. History could be rewritten based on an analysis of the role played by these personages. Like WW2, WW3 (Gaza, Ukraine, Taiwan) is another banking cartel charade with Freemasons on both sides.

"It is the mark of an educated mind to be able to entertain a thought without accepting it."

— Aristotle

Below is a list of political and cultural leaders over more than 500 years whose official portraits show them making a Triad Hand Sign, joining their third and fourth fingers. This is also known as "Triad Claw."

Apparently, this is a Marrano gesture which signals the letters M & W, symbolizing 666 from the three V's. The letter V is "waw" in Hebrew and "vav" in Gematria and is the 6th letter in both.

What are the chances that people living centuries apart would make the same Masonic hand sign? The Triad Sign is how Satanists recognize each other and signal fealty to Lucifer.

Although this conspiracy originated in the Jewish Cabala, it may have spread to much of the Gentile leadership, including royalty, authors, scientists and religious leaders. Unless many of them are crypto-Jews, as David Livingstone believes.

Man's tragic history and present dysfunction is due to the fact that humanity is satanically possessed. One could write an accurate history of Europe simply by studying these personages and their roles. Most fit the pattern of a longterm Cabalist conspiracy to degrade and enslave humanity.

"The one who cannot see that on Earth a big endeavor is taking place, an important plan, on which realization we are allowed to collaborate as faithful servants, certainly has to be blind" — Winston Churchill

other religions or ethnic backgrounds. John Kerry or Madeline Albright are examples.)

In his book, *Terrorism & the Illuminati*, Livingstone traces the genealogies of these Khazar bloodlines, which include the Rothschilds, the Hapsburgs, the Sinclairs, the Stuarts, the Merovingians, the Lusignans, and the Windsors.

"The great secret of history is this story of the ascent of Cabalists to world power," says Livingstone.

"Ordinary Jews and people, in general, have no idea how they are being manipulated."

"These Cabalists believe Lucifer is the true God. They care nothing for their own nations. Their whole aim in life is to humiliate and degrade mankind, and prove to God that the human experiment is a failure. They are gradually achieving this goal through their covert control of the economy, education, media and government."
